NO SCHOOL TOMORROW

Tomorrow is a teacher work day and there is no school. Enjoy the 3-day weekend!

LOST AND FOUND

Can't find that favorite coat or sweater? Our Lost and Found is overflowing. Come on down and check for your missing items.

Where Will You Be Next School Year?

We are starting to work on student placement and teacher grade assignments. Will you be moving soon? Have you moved already? Do you need to put in a request for transfer? The answers to these and other burning attendance questions should be sent to our attendance secretary. You can call or email fuller2@gresham.k12.or.us with information or questions. Remember, we will need your current address to mail your child's end-of-year report card!

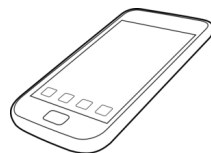

DEAR PARENTS:

Below is a link to an article that I guarantee will give you perspective on the use, or overuse, of smartphones by children. Please take a moment to read through this brief article. It is thoughtful and insightful as well as fact-based.

Thank you

Karen Harshfield
Counselor

PRINCIPAL'S CORNER

There is no school tomorrow due to a Teacher Workday. Enjoy the long weekend!

Monday is CAREER DAY at West Gresham! Students are encouraged to think about the job they would like and **DRESS UP** to show us! Hats are okay, and props may complete the look. Get creative! Please help your child think about how they might "dress the part" of their future career.

In addition to all the fun, exciting activities planned to finish up the school year, there is also a lot of important work going on. It is at this point of the year that students are completing long-term projects and being assessed on their progress in many areas. Regular, daily attendance is as important now as ever. Please remind your child that being on time to school, and staying focused during the day is important to you.
